

Fire Prevention 1

Activity 4-2

Code Enforcement Violation Rating

Activity 4-2

Format: Individual

Timeframe: 00:30

Description

This activity provides students with an opportunity to recognize the code enforcement rating of each deficiency in order to determine a code enforcement procedure (i.e., abatement, red tag, correction notice, etc.).

Materials

- A complete Fire Hazard Worksheet (FHW) from Activity 2-1
- Pen or pencil

Instructions

1. Work individually
2. Using your group's assigned fire from Activity 2-1, review each deficiency and indicate if it is:
 - a. Routine
 - b. Imminent
 - c. Transient
3. Be prepared to discuss options and methods for mitigation or correction of specific deficiencies with the class

Instructor Notes

- The Fire Hazard Worksheet is available on the SFT Instructor's Corner website
